STRATEGIC OVERVIEW

MISSION STATEMENT

To deliver innovative, high quality athletic footwear that inspires customer confidence through superior performance and style.

VISION STATEMENT

To become the most respected name in global athletic footwear, recognized as the first choice for buyers seeking quality and design, and the standard by which competitors are measured.

MAJOR ADJUSTMENTS

Solved operations by utilizing loans and optimizing market share while maintaining operating profit margin.

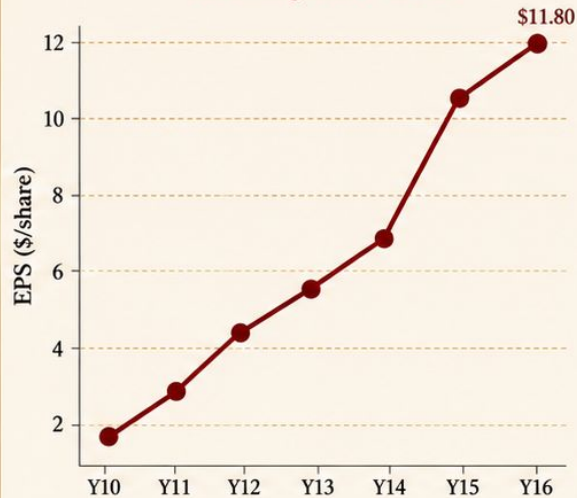

STRATEGY

CRAYS Athletics differentiates itself through superior product quality, innovative design, and strong brand reputation.

STRATEGIC IMPROVEMENTS:

Cost of Branded Pairs Sold vs. Industry Average
North America Region

Cost of Branded Pairs Sold vs. Industry Average
Asia-Pacific Region

Strategic Improvements Cont.

FUTURE PERFORMANCE

- **Increase Worker Productivity**
 - Decreasing Supervision Ratio to 25 to 1 staff ratio
 - Re-Introduce Incentive Pay by \$0.25 in each region
 - Invest in Option D: Robot-Assisted Production
- **Maintain and improve EPS, ROE, Stock Price, Image Rating, Positive Credit Rating, Premium Pricing Differentiation Strategy**
- **Remove Facility Space (2,000) in North America and Increase Facility Space (2,000) in Europe-Africa**
